ARTS & DISABILITY
SINGAPORE

Happy 2024!

As the Wood Dragon soars into the new year symbolising resilience and growth, LAVISH is honoured to collaborate with ART:DIS Singapore, a non-profit dedicated to champion learning and livelihood opportunities for Persons with Disabilities (PwDs) in the arts.

Through their wide range of programmes, ART:DIS enables PwDs to develop their artistic interests, grow their self-confidence and be active members of community.

ART:DIS further supports sustainable and meaningful impact for PwDs to gain work experience, empowering them to live independently.

Witness the vibrant spirit of the year captured in "Birds and Bamboos Announce Prosperity," a stunning painting by artist Tay Bee Lian from ART:DIS. Following years of meticulous study of light, shadow and composition, Bee Lian captured the welcome of spring in this quiet landscape piece. As an artist who has dedicated her practice to Chinese ink painting, Bee Lian's work is well-sought after by many.

Join us in celebrating the power of art and inclusivity with the diverse talents nurtured by ART:DIS!
